NEC to close down projects delayed by more than five years

Tura , Sep 12 : As many of the North Eastern Council (NEC) Projects in Meghalaya and other North Eastern states are delayed by years, the North Eastern Council (NEC), secretary Ram Muivah has said that the Council would be very strict as far as implementation of projects are concerned and any project delayed for more than five years will be closed in consultation with the respective State Governments.

Speaking to media persons here on Tuesday, Ram Muivah said that respective State Governments would have to take over the liability if there was any the project which would be closed due to delay of more than five years. However, NEC would exempt road and power projects since implementation of projects in power and road sector takes very long time.

The NEC has also written to all the State Governments about the delays in the project and accordingly, all the states have been asked to submit utilisation certificate within one year failing which Finance Ministry, which is the chief controller of accounts of NEC, would stop releasing funds for any project which is more than one and half years old. While admitting that the NEC projects in Meghalaya are slightly slow in progress, Muivah, however, added that the all the NEC projects in Meghalaya were of very good quality. In addition, the NEC also has three-layer monitoring mechanism to monitor road projects under North East Road Development sector programme. "We have our consultants, regional level

Do Bigger Things: Samsung Galaxy Note8 With Bixby Capabilities and Enhanced S Pen Launched in India

New Delhi , Sep 12 : Samsung Electronics today launched its flagship smartphone Galaxy Note8 in India, offering the next level Note for people who want to do bigger things.

Samsung will also introduce Bixby Voice capabilities with 'Make for India' innovations in its intelligent interface Bixby in the next few weeks. Bixby will be available on Galaxy Note8 and Galaxy S8 & S8+ devices.

With Galaxy Note8, consumers get a big, immersive Infinity Display that fits comfortably in one hand, S Pen to communicate in more personal ways, and Samsung's best-ever true Dual Camera with dual Optical Image Stabilization (OIS) to capture stunning photos in all conditions.

The incredible Note series loved by millions of consumers in India will also come with the revolutionary mobile payment service, Samsung Pay, and Samsung's defense-grade security platform Samsung Knox, making it the most desirable smartphone available in the market. Galaxy Note8 is designed for the way consumers lead their lives and

monitors and we have even appointed IIT, Guwahati as a third party monitor for the road projects under North East Road Development sector programme of the NEC," Muivah said.

Stating that the people in Meghalaya are happy with the NEC projects, Muivah added that there were few roads in Garo Hills and Khasi Hills which are big challenges for the NEC.

"We have constructed the road and handed it over to the State Government but State Government does not have resources to maintain such long roads and hence maintenance has become a big issue," he said.

Lamenting that the Finance Commission awards for maintenance of roads are very meager, he said that Niti Aayog had come out with an idea that 10 per cent of the funds should be mandatorily kept for maintenance of roads and NEC was thinking of adopting the same approach. He also opined that all the North Eastern states should make a united effort to ensure that substantial amount is given for maintenance of roads in the 15th Finance Commission since state budgets were too small. Stating that the NEC has constructed around 16000 kilometer of roads and they need huge money to maintain those roads, he added that the NEC had come up with a regional plan for the next three years issued coterminous with 14th Finance Commission and as the 14th Finance Commission gets over on March 30, 2020, similarly, all the existing NEC projects would have to be completed before March 30, 2020.

Conrad sees scope for better implementation of central projects

Shillong , Sep 12 : The National People's Party (NPP) MP from Tura, Conrad K Sangma has said that there was scope for better implementation of Central government funded projects in the state. He held review meeting of the District Development Coordination and Monitoring Committee (DISHA) at Chokpot in South Garo Hills on Monday to review the implementation of central projects during which he said that there was scope for better implementation of the central government projects after a thorough study of mandates of the projects.

Reviewing the central projects in South Garo Hills, the Tura MP took special interest in the implementation of projects under MGNREGA and PMGSY and held discussions on other schemes such as the Pradhan

Mantri Ujjawal Yojana (distribution of LPG connections), National Rural Drinking Water Program and Digital India that provides internet access to the people. The Tura MP also commended the Chokpot block for completing 68 people days of work and for helping self-help groups to start saving fifty rupees a day to build a corpus of Rs one lakh.

"Specialisation in plantations and value addition through food processing can be the next set of convergence that MGNREGS can look into," said the Tura MP during his interaction with the block officials and the Village Employment Councils.

Later, during a public interaction he was informed that certain PMAY-G beneficiaries were yet to receive the grants for the year 2012-13 to which the MP assured to take up the matter at right earnest.
