The G&H Nourish+ Body lotion is fortified with exclusive botanical blends such as shea butter, organic pumpkin seed oil and orange blossom honey. Aloe soothes the skin while grape seed extract with powerful anti-oxidant properties, helps protect and refresh it. The Green Tea Extract protects the skin against environmental damage and helps to energize the skin.

The G&H Refresh+ body wash-gel includes a patented non-irritating complex to keep the skin calm. The product is enriched with a refreshing scent which lingers on the skin for a long time, while the non-drying formula helps in safeguarding the skin's moisture barrier.

Shillong, Oct 10: Chief Minister, Dr Mukul Sangma on Tuesday underlined that looking at management studies only as a professional course needed to be changed and it should be made a crucial part of studies.

"Though addressing the issues of globalisation is still a challenge, if we do not think locally none of our activities will be sustainable. Therefore, the challenges and opportunities of globalisation has to be understood and dealt with in the right perspective to ensure that there is no dislocation of our activities which is so crucial to our sustainable development growth," said Dr Sangma.
