## PM Modi meets President Abbas on historic visit to Palestine

**Ramallah (West Bank), Feb 10:** Prime Minister Narendra Modi met Palestinian President Mahmoud Abbas on Saturday on his historic visit to Palestine and the two sides signed agreements worth \$50 million that includes setting up of a \$30 million super speciality hospital. President Abbas received Prime Minister Modi in an official ceremony at the presidential compound, also known as Muqata'a, in Ramallah, the Palestinian seat of government.

Modi is the first Indian Prime Minister to make an official visit to Palestine. After their talks, Prime Minister Modi said he has assured President Abbas that India is committed to the Palestinian people's interests.

He said India hoped for return of peace in the region.

"We know that it's not easy, but we should keep striving because a lot is at stake," he said in a joint press conference with President Abbas. On his part, President Abbas acknowledged that the Indian leadership has always stood by peace in Palestine. Abbas said Palestine was always ready to engage in negotiations to achieve its goal of an independent state. He asked India to facilitate the peace process with Israel.

"We rely on India's role as an international voice for great standing and weigh through its historical role in the Non-Aligned Movement and in all international forums and its increasingly growing power on the straits.

Modi, Modi flew in a Jordanian army helicopter straight from Amman to Ramallah, where he was received by his Palestinian counterpart Rami Hamdallah. Prime Minister Modi's chopper was escorted by choppers from Israel Air Force.

"This is a historic visit that will lead to stronger bilateral cooperation," Modi said shortly after landing. Soon after his arrival, Prime Minister Modi visited the Mausoleum of Yasser Arafat in Ramallah and laid a wreath at the grave of the iconic Palestinian leader. He was accompanied by his Palestinian counterpart Hamdallah. The mausoleum was unveiled on November 10, 2007, and is located adjacent to the Palestinian Presidential compound, also known as Muqata'a here.

After paying homage to Arafat, Modi took a short tour of the Arafat Museum located adjacent to the mausoleum. During his maiden visit to Israel last year, Modi did not travel to Ramallah. His standalone visit to Israel had led to analysts questioning the future of the Indo-Palestine ties.

This time Modi skipped Israel in a clear message that India is de-hyphenating its ties with Israel and Palestine.

Modi's visit to Palestine comes amid heightened tensions in the region after US President Donald Trump recognised Jerusalem as the capital of Israel. The unilateral US decision to declare Jerusalem as the capital of Israel was challenged at the UN General Assembly where 128 nations, including India, voted to turn down the move as "null and void".

Trump's decision to declare Jerusalem as Israel's capital angered the Palestinians, sparked protests in the Middle East and raised concern that it could further destabilise the region.

Though India has shied away from becoming a party in the Israel-Palestine conflict, the Palestinian leader on several occasions has stressed on a possible role for New Delhi in the Middle East peace process.

India believes in a two-state solution in which both Israel and a future Palestinian state coexist peacefully.

The two-state solution envisions independent Israeli and Palestinian states coexisting side by side peacefully. The Palestinians see east Jerusalem as their future capital.

## Two JeM militants, two soldiers killed in attack on Jammu camp

**Jammu, Feb 10:** Two soldiers, including a junior army officer, were killed and nine others, including women and children, injured when a group of heavily armed JeM militants dressed in army fatigues stormed a military camp here in a pre-dawn attack on Saturday, hurling grenades and spraying automatic gunfire as they entered the family quarters when everyone was asleep, officials said.

Two terrorists have been killed so far, while the others are still holed up. The two killed soldiers were identified as junior commissioned officer (JCO) Madan Lal Chaudhary and NCO (non-commissioned officer) Ashraf Ali, both belonging to the state. Nine others - five of them women and children including the daughter of the slain JCO who had come to visit her father during school holidays - were injured. Two were in a critical condition. "As part of the ongoing operations in Sun-

juwan, the army has killed two heavily armed terrorists. The terrorists wearing army combat dress were carrying AK56 assault rifles, large amount of ammunition and hand grenades. "Search of their belongings confirms the terrorists to be from Jaish-e-Muhammad (JeM). Operations are in progress with extreme caution and restraint to safeguard the unarmed soldiers, women and children in the houses," a Defence statement said. Most of over 150 houses in the complex have been cleared and occupants moved to safety, it said. "Operations will continue till all the terrorists are apprehended or killed". Besides recovering arms and ammunition from the slain terrorists, JeM flags have also recovered from them. Defence sources said that soldiers at the Sunjuwan Military Station close to Jammu city noticed suspicious movement near the camp

around 4.45 a.m. Suspecting they could be militants, the soldiers challenged them. But the gunmen hurled grenades and opened fire from automatic weapons, the sources said. The militants then entered the JCO family quarters in the vicinity and holed themselves up in one of the houses. "The attack has now been contained. Most of the families have been evacuated from the junior commissioned officers quarters where the terrorists had entered. Before the final assault on the terrorists, we are making sure that no civilians are harmed in this operation," the statement said. Sources said room-to-room intervention was going on to pin down the militants inside the JCO's residential building. Army sources said the terrorists have been pinned down and the operation is being carried forward cautiously so that no further security force or civilian casualties occur.

public said an aggrieved local. Residents here have been managing on their own expense till date by fetching water from sources in Khan Khola. In addition, water pipelines have been damaged in forest areas where railway-lines are being laid, thus aggravating further the already erratic water-supply. Locals want the state government to address the issue at the earliest.

## Acute water shortage irks residents

HM Report

**Rangpo, Feb 10:** Acute shortage of safe drinking water supply have irked Majitar residents since long while their repeated appeals to concerned authority on the issue have fallen on deaf ears. Locals lament that besides assurances from the PHE department about projects being approved by the government to solve the problem, nothing concrete has been done so far. We have been hearing about the project since last four years, but the concerned authority is yet to take initiative to speed up work. It is the government's responsibility to provide basic facilities like safe drinking water to the

public said an aggrieved local. Residents here have been managing on their own expense till date by fetching water from sources in Khan Khola. ## DPC (W) convenes meeting

**Geyzing, Feb 9:** A meeting of the District Planning Committee for west district Zilla Panchayat along with all the government departments of west district was held at the Zilla Panchayat Assembly Hall, Geyzing under the chairmanship of Zilla Adhyaksha cum DPC, Chairperson Devika Subba.

The meeting was attended by Vice Chairperson (DPC) cum Zilla Upa-Adhyaksha Ashok Kr. Gurung, UD&HD Minister N.K. Subba, Health & IPR Minister A.K. Ghatani, L.P. Kafley, DM (West) cum DPC (Secretary) Kapil Mena, SP (West) K.D. Sangderpa, ADC (Dev) Surat Gurung, ADC (Soreng) Rajiv Roca, DPO (WZDP) Dr. Anand Thapa, Zilla members, Panchayat President and HoDs of all departments.

Addressing the meeting, DPC, Chairperson Devika Subba stated that all the DPC members should focus on carrying out qualitative work in their respective areas and urged the members to be vigilant and monitor the ongoing and under progressive works to ensure timely completion of the projects so that the benefit may reach the people on time.

She congratulated all the members of the newly constituted standing committee and urged them to work with utmost devotion.

At the outset, District Collector cum DPC, Secretary Kapil Mena highlighted the aims and objectives of the District Planning Committee (DPC). He stressed that each Gram Panchayat should define its vision for the village and draw its annual action accordingly to support the long term vision. With effective coordina-

tion between the administration and the Gram Panchayats we can find a solution to various issues and come out with better results, he added.

During the course of the meeting, the house formed the standing committee of the District Panchayat for effective and successful implementation of various schemes and programmes with eight Zilla Panchayat members as chairman.

The newly formed standing committee includes: Standing Committee for Finance: A.K. Gurung (Zilla Upa-Adhyaksha) Chairman; Standing Committee for Economic Development and Planning: Ongdila Bhutia (ZP, Darap-Chumbong TC); Standing Committee for Public Work: B.B. Rai (ZP, Geyzing TC); Standing Commit-

tee for Health, Nutrition, Sanitation & Drinking Water: Sangam Gurung (ZP, Dentam Gitang TC); Standing Committee for Education & Skill Development: L.P. Chetri (ZP, Bemioik-Martam TC); Standing Committee for Welfare: Kalawati Tamang (ZP, Suldung-Khanisberong TC); Standing Committee for Agriculture, Forestry, Watershed & Allies Activities: Budda Hang Subba (ZP, Yuxum-Thinking TC); Standing Committee for Strengthening Panchayati Raj in West: L.P. Kafley (ZP, Chongrang-Gerethang TC).

As per information, all the newly appointed chairmen of the standing committee will hold office at the Zilla Panchayat Bhawan. Office order for the same was also handed over by the chief guest of the day.

## Rafale biggest issue of corruption, PM Modi should reply: Rahul Gandhi

**Hospate, Karnataka, Feb 10:** Intensifying his attack on the centre over the Rafale fighter jet deal, Rahul Gandhi on Saturday alleged it was the biggest issue of corruption in the country and asked the prime minister to reply why he took the contract from Hindustan Aeronautics Limited (HAL) and gave it to a friend.

Launching the Congress poll campaign in Karnataka's Ballari district, Gandhi took a swipe at Prime Minister Narendra Modi for criticising policies of previous Congress governments saying he is running the country by looking in just rear-view mirror which has led to mistakes like GST and demonetisation.

The Congress chief alleged that Modi had personally changed the Rafale contract during his visit to France and said the prime minister had not answered the three questions posed by him on the deal. Today Rafale aircraft is the biggest issue of corruption in the country. I want to tell few things about this you, he told a public rally to mark the start of the Congress Janashirvad Yatra. Gandhi said, Modi had gone to Paris in France in France Modi personally changed the contract. He said earlier the Rafale contract was given to defence public sector undertak-

ing Bengaluru-based HAL, which has been making aircraft for the Indian Air Force for 70 years. If Bangalore is on its feet today, one of the reasons for it is HAL. Modi took away Rafale contract from Bangalore and HAL and gave it to his friend, he said.

We have asked three questions to Modi Modi on what basis did you give the contract to your friend after taking it away from HAL, for what reason? Why did you take away the future of its youth from Bangalore? Why did you do this to profit your friend? Second question, did the price of the aircraft increase or decrease in your new contract? Third question when you took this decision in Paris and when India's defence minister was buying fish in Goa did you take permission from the cabinet committee on security? Yes or no.

The Congress leader said Modi spoke for one hour in Parliament on the merit of the thanks on President's address but did not utter a word about Rafale. Gandhi began his four-day tour of Northern Karnataka districts of Ballari, Koppal, Raichur, Kalaburagi and Bidar during which he would travel in a bus and address public rallies, hold roadshows and interact with farmers and others, as part of the yatra.
